# FOCUS ON BEING PRESENT

## Welcome Our New Board Member Tanisha Collins-Johnson

Tanisha is as an experienced project manager who can strategically plan, implement, and oversee projects working with diverse stakeholders, and community partners managing multiple projects and leading various teams. She has extensive experience in creating positive direction and driving projects towards their ultimate goals. Primary responsibilities are developing relationships with businesses, community agencies, faith-based organizations, and nontraditional institutions, identifying targeted areas to foster relationships and bring awareness of the programs and services from inception to completion.

## Welcome Our New Board Member, Ana Saavedra

Ana is a data analyst for Advocate Health in the Strategy and Operations department. She is a mother of three boys and a small business owner of short term rentals. Ana is actively involved in high school sports for her youngest son and a beloved fur baby to a mini golden doodle named Canelo. Her passions include spending quality time with family and friends, traveling, and exploring new places. Her most loved place to go every year is the tropical places of Mexico.

# CHANGE LEADS TO GROWTH

## Welcome Our New Office Manager, Isabel Saavedra

Isabel is currently attending Carroll University and majoring in Information Technology. She obtained an associates degree in Graphic Design and a certificate in Digital Production Waukesha County Technical College. Outside of school, she loves to travel around the world with her favorite places being Japan, Italy, and Mexico. She enjoys volunteering in the community and her work at HOPE will help connect her with more community members.

## Welcome Our New Summer Intern, Kathy Huynh

Kathy is a University of Wisconsin-Madison student studying Consumer Behavior & Marketplace Studies with certificates in Entrepreneurship and Sustainability. She was recently welcomed to HOPE Network Inc. as the Marketing & Outreach Intern. With a background in marketing and consumer studies, she is able to provide more insight to the company and cater towards individuals within the community and their needs. In her free time, she runs her small business selling cakes and other baked goods.
